 today — in the  
 name of DWP, SRP  
 and HLRP —  
 box 1036 at the  
 First National  
 Bank. It is an  
 extra large box  
 and we will  
 hopefully be able to  
 get everything  
 from the smaller  
 boxes into this  
 one box.

En même temps, I am  
 "condensing" at the Liberty Bank with  
 my safe deposit boxes there — currently  
 I have three there and have just  
 now arranged for a large box in the vault —  
 hopefully I will be able to put the contents  
 of the three present boxes into the new  
 box.
